

Dear Member,

I am delighted to inform you that Redhill Honda will be continuing to sponsor Redhill Football Club this year!

As a member of Redhill Football Club you will receive 15% discount on any service and we will be happy to offer a collection and delivery service or a loan car. We will also carry out your MOT for you for £35 instead of £53. (Please note however we can not offer a collection and delivery service for MOT's)

You will receive 10% discount on all SMART repairs (alloy wheels, bumper scuffs etc) and we offer a unique accident management programme. (Please call us for more details about Sytnerdrive)

You will also be entitled to special discount rates or a finance contribution on selected new and used cars and will receive a complimentary next service should you purchase a car from us. Being the generous soul I am I will also be happy to extend these offers to your immediate family and friends and should they purchase a car you will receive a cheque for £100! Simply ask them to produce this letter or you RFC membership card as soon as they come in or at time of booking.

We will be improving our signage at the club over the next few weeks ready for the new season and have worked with Terry to improve our presence on your website. I hope to get more involved with some of your events and I look forward to meeting you over the next few months.

Please feel free to come and see us at our dealership here on Brighton Road, even for a coffee and a biscuit and a browse, or call us on **08442493036**.

I look forward to continuing our relationship and wish you all the very best for the 2009-2010 season.

Regards

Paul Moutarde

Franchise Manager
